Pat:

I got the following information from Dr. Ricardo Parada Sandoval, -Juez de Tránsito_:

There were two Juzgados on duty on December 30, 1982:

Juzgado 4o. de Paz up to 12 Noon

Juzgado 5o. de Paz from 12 Noon to midnight

Dr. Parada spoke to Dr. Mario Flores, the Judge of Juzgado 4o. de Paz, who said that to obtain permission to exhume the remains it is necesaro to write to REGION METROPOLITANA for permission (health) and to the Juzgado 4o. or 5o. for permission and setting a date for the exhumation, as the Judge would have to be present.
